Meet the wicked Al-Zaman and his incompetent henchmen Mustafa Marsbar and Mustafa Malteezer as they pursue our intrepid hero, Ali Baba, who has stumbled upon Al-Zaman's secret cache.

Laugh at Ali's outrageous sister-in-law Rum Baba, her long-suffering husband Kasim and their quick-witted son, Khalif, who is hopelessly in love with the beautiful servant-girl Bashira . . . also featuring Cantab, the very smelly Camel!

This brand new version of Ali Baba and the Forty Thieves is packed to the brim with comedy, adventure, romance and audience participation

***A perfect treat for the whole family - don't miss it!***
