A Rise In The Market

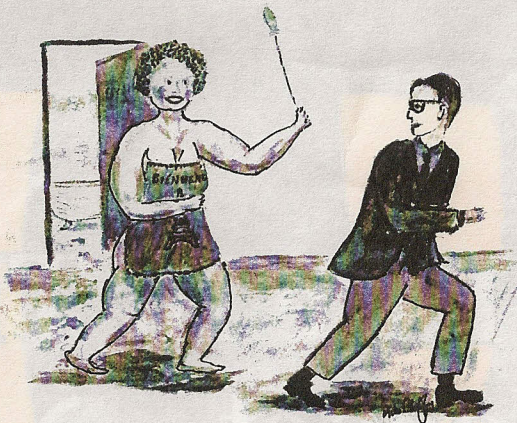

Directed by Christine Clements
Written by Edward Taylor

A Rise In The Market

Sir Clive Partridge wants to be president of the European Community, but needs the support of puritanical statesman Jacques Berri.

Things look pretty bleak for Clive when Berri calls on a day when he is trapped in a Paris flat where he is beset by glamorous young women he can't account for, plus an angry wife and an exploding boiler!

The action takes place in
a penthouse flat in Paris
