*Marvel at our magical presentation of Pinocchio, the mischievous puppet made by Geppetto, using wood from Master Antonio's, enchanted by The Blue Fairy. Prepare for adventure, as he gets himself into all kinds of trouble, especially when he gets tricked by Fox and Cat and later is turned into a donkey to become part of Signor Giovanni's circus!*

*The Kingswood Players' presentation set on a thrust stage ensures close contact and participation with the audience at all times.*

*So, come and join Pinocchio on his quest to become a real boy!*

*This production, adapted from Carlo Collodi's original story, is not Disney, but it's original and fun for the whole family!*
