A group of extraordinary women, members of a very ordinary Yorkshire WI, spark a global phenomenon by persuading one another to pose for a charity calendar with a difference! As interest snowballs, the **Calendar Girls** find themselves revealing more than they'd ever planned...

A very British story, with a very British heart, **Calendar Girls** is based on an uplifting and very inspiring true story to raise money for the Leukaemia Research Fund that is quirky, poignant and hilarious.

Calendar Girls has become the fastest selling play in British theatre history & has been released for amateur productions during 2012 only. *Don't miss it!*

Kingswood Players were the first Bristol group to receive permission to stage this play! Purchasing a ticket will enable us to continue what the original 'Calendar Girls' started - to raise funds for the charity - Leukaemia & Lymphoma Research
